### **Curriculum**

<http://shantiyogastudio.org/course-materials/>

To maintain optimal learning in a customized way, Shanti Yoga School's curriculum presents the YA approved syllabus in several ways: weekend workshops, workbook lessons, weekly classes, monthly study groups, mentor meetings, practicums, and videotaped class requirement. 300 hr students can also accrue contact hours through Book Discussion Groups, Project Development meetings and assisting senior teachers. Contact hours can come from any of these sessions in which one of the Shanti faculty or a Shanti mentor (approved 300 hr student) is presiding. Non-contact hours come from the homework.
